

We create contemporary and innovative soft seating solutions designed to enhance the progressive workplace of the 21st century.

The following pages have been collated to provide an extensive selection of breakout furniture, reception seating and collaborative options for today's workplace specifier.

Every space is different and will require solutions to fit its individual purpose. We trust that you will seek, find and implement our tools, assisting you in your ultimate task of creating comfortable, contemporary and productive workspaces.

Optional extras are on display throughout this brochure. Please refer to your price list for further information and pricing.

Available as a single armchair or two and three seat sofas. Theo offers the flexibility to be either a classic looking sofa with button back detail & timber leg frame, or choose a more contemporary look with plain backrests & metal feet.

Latitude

LATITUDE ONE

LATITUDE TWO

LATITUDE THREE

Contemporary armchair or two and three seat sofas. Latitude's striking functional design features wide armrests to support workspace accessories including laptops and ipads.

The Resimercial design of Vitality allows you to create a relaxed, less formal workspace. Single, two and three seat sofas come as standard with chrome feet and plain backs but have optional button back detail and wooden feet to create a more individual impact.

VITALITY ONE

VITALITY TWO

VITALITY THREE

Available in one, two and three seater variants, the distinctive character of this range is achieved by combining subtle contours and generous proportions with a suspended back, angled to maximise comfort and support.

LIBERTY ONE

LIBERTY TWO

LIBERTY THREE

Available as a single armchair - two or three seater sofa, this modern design creates a striking first impression and can be integrated with the Synergy modular range for the perfect combination. The suite of pieces can be tailored to complement any corporate environment in a variety of fabrics including two tone upholstery and a full leather option.

CIRQUE-FS

Costa provides a sublime contrast between the lush pastel tones of the curvaceous outer shell and the upholstery of the seating area you specify to suit your workspace. Black nylon feet come as standard and contemporary chrome legs are there as an option when the environment requires a more elegant touch, or where the user requires a higher seat height.

For those environments that require an additional level of finish and comfort, Costa can be specified fully upholstered.

COSTA-POLY

COSTA-UPH

Scelta can be specified with 3 base options; timber leg, wire sled frame and four star swivel base with adjustable seat height.

The inclusion of increased support to the armrests on this seat only works to provide an unrivalled level of comfort for the user, even when sitting for prolonged periods of time.

Scelta will work seamlessly with other options in the Pulse Design range and provides a solution to a wide variety of specifications.

Combine Fusion modular seating to create two, three and four seater configurations

Serenity

Serenity has been designed with versatility in mind. This stylish and adaptable seat can be specified with or without a headrest and the twin shell design allows the chairs to be specified fully upholstered. Alternatively, finish with a walnut veneer or white laminate outer shell to tailor the look and feel of the chairs to suit the environment.
